Parents Who Are...

...more "hands-on" with their kids - set limits, negotiate clear consequences, listen, know where they are - raise children who are less likely to use alcohol and other drugs.

2021 October

Delaying alcohol, tobacco, and other drug use is good prevention.
"A child who gets through age 21 without smoking, using illegal drugs or abusing alcohol is virtually certain never to do so," says Joseph Califano, founder of CASA, Columbia University.

Parents – Send Clear Messages. Teens View Silence as Approval.
Communicating disapproval of underage drinking is the most effective message parents and parental figures can send to youth.

2022 January

December											February				

Board of Education Meetings are Tentative and Subject to Change.

Underage drinking is NOT a harmless rite of passage.

Underage alcohol use is more likely to kill young people than all illegal drugs combined.

2022 February

Board of Education Meetings are Tentative and Subject to Change.

* Because more than 2 emergency closure days were used, May 26 & 27 will be regular school days

Transitions are tricky: 5th - 6th grade, 8th - 9th grade, and high school - college.
 Experimentation and risky behaviors are often observed during transitions. Stay alert, keep talking, and get help when you need it.
